AUDITING SERVICES

Cowden Limited can attend your business premises to conduct an **Business Systems Audit**. This Audit identifies what business systems the business has in place and will identify any 'gaps' that need to be addressed. A comprehensive report is provided, detailing any deficiencies. This report can be used to develop a Strategic Plan for the business, and enable preparation for specific audits conducted by Insurers, reporting bodies, etc.

Cowden Limited are also able to conduct an **Workplace Safety Audit** of your business premises. This Audit involves an assessment of how the OSH Systems are implemented practically in your workplace. These Audits are conducted in the company of a company spokesperson i.e. Supervisor. Again, a full report is provided, detailing any recommendations for improvements.

A **Legislative and AS/NZS: 4801.2001 Auditing** can also be conducted for your business, to ascertain whether you are compliant with the relevant State Safety Legislation and Australian Standards. This particular audit is an extremely useful benchmarking tool for businesses working towards securing WorkSafe & WorkCover awards and in achieving best practice Australian Standards.

In conducting any of the above audits, appropriate Systems can then be developed and implemented to ensure compliance to current Safety Legislation, Regulations, Australian Standards and Codes of Practice.

Cowden Limited is committed to excellence.

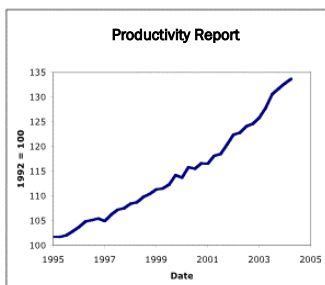

In addition to our professional broking services, we provide innovative solutions for our clients to ensure they meet existing and future business needs in the area of Insurance and People Risk Management.

We maintain an up to date knowledge base in the areas of risk management and injury management practices. We constantly keep clients informed of changes, which may affect their company systems and processes.
