It provides information about the services we offer you, how we are paid, any conflicts of interest we may have, our internal and external disputes resolution procedures and how you can access them.

The following insurance policies are defined as Retail Products:

Motor Vehicle Insurance	Sickness and Accident Insurance
Home Building Insurance	Consumer Credit Insurance
Home Contents Insurance	Travel Insurance

We also provide a wide range of general insurance products outside this defined Retail range and we are authorised to provide personal and general financial product advice, as to the suitability of policies.

If we are required to provide personal advice it will be necessary for us to obtain a Needs Analysis which includes personal financial information. Where we provide personal advice on Retail Products we will also provide a Statement of Advice.

We will also give you a Product Disclosure Statement when required. This is prepared by the insurers and is designed to give you important information about the policy.

A cooling off period may apply to an insurance policy issued to you as a retail client. During the period you may return the policy. Details of your cooling off rights will be included in the relevant Product Disclosure Statement (PDS) issued by the insurer.

As you are aware we are an Insurance Broker and are licensed under the Corporations Act to provide advice and deal in relation to General Insurance Products. As an Insurance Broker we are obliged to act on your behalf and provide you with advice on General Insurance Products that are appropriate for your needs.

We may receive a commission between 0-27% (dependent upon the product) on the premium before FSL, GST, S/Duty, you pay in respect of any Financial Product purchased by you. We deduct our commission when we send your premium onto the Insurer.

As a guide in the year ended 31st December 2012 the average commission earned on the gross amounts paid by our clients was 9.5%.

Our staff receive an annual salary that may include bonuses based on performance criteria. Where a third party has referred you to us, we may share part of our commission or fees with them or pay them an agreed referral fee.

If a Contract of Insurance is cancelled before expiry of the period of insurance we may charge a fee.

We can arrange premium funding on your behalf if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. Global Premium Funding Pty Ltd is a wholly owned subsidiary of Cowden Ltd.

Cowden Limited are a shareholder of Steadfast Group Limited (Steadfast). Steadfast has arrangements with some insurers under which Steadfast will receive between 0.5% - 1% commission for each policy arranged with those insurers. This is used to operate Steadfast. Depending on the operating costs of Steadfast and the amount of total premium we place with Steadfast insurers in any financial year, we may receive a proportion of that commission back at the end of the financial year.

We are part of the QBE Intermediary Programme and Zurich Zenith Programme which includes a profit share component. The amount of the profit share is determined by the amount of the premium earned when compared with the claims experienced in certain portfolios with QBE and Zurich. Due to the contingent nature of insurance and the way the arrangements are set up, it is not possible to know the amount of any profit share, if any, to which we may be entitled until 3 months after the end of the qualifying period.

Through its participation in these arrangements, we have an association with QBE and Zurich which we wish to inform our clients of. Another component of the programme is broker services. We are entitled to \$7,000 of the training of staff services, paid for by Zurich, that contribute to the development of a more professional and skilled business.

CWH Underwriting Agencies Pty Ltd, a wholly owned subsidiary of Cowden Limited, has entered into an Agreement with Hollard Insurance Company Pty Ltd to provide insurance products to clients of Cowden Limited.

CWH Underwriting Agencies Pty Ltd will receive a profit share from the Hollard Insurance Company Pty Ltd which will vary and is not guaranteed.
